#1 FESTHALLE
Festbier | 5.9% | 16 oz. - 6.5 | 5 oz. - 3

A bright golden hue welcomes you to the festivities with fresh bread and cracker malt notes, balanced with a traditional noble hop character. An approachable lager suited for celebrating any occasion. *Gold medal winner at 2025 Great American Beer Festival.*

#2 SPINNING AROUND
Hazy IPA | 6.4% | 12 oz. – 7.5 | 5 oz. – 4

A perfect balance of tropical and citrus notes. Think pineapple, guava, orange and lime zest. All finishing with a slightly sweet cereal malt note. Dry hopped with Elani, Krush & Mosaic

#3 GLENIFF
Irish Coffee Cream Ale | 5% | 16 oz. - 7.5 | 5 oz. - 3

That splash of Irish cream in your morning mug has found it's way into the rest of your day. We used a blend of Colombian and Ethiopian beans roasted locally by our friends at One Line Coffee, then rounded it out with that nutty chocolate vanilla element we all love.

#4 BERRIED TREASURE
Strawberry Shortcake Sour Ale | 5.5%
12 oz. – 7.5 | 5 oz. – 4

A classic combination that harkens back to a simpler time. At least it seemed simpler. Let us believe that it was simple, okay? Anyway, this one is delicious. Layers of ripe strawberries and rich vanilla with just enough tartness to stay refreshing.

#5 ŠUMAVA
12° Czech Pale Lager | 4.4% | 16 oz. – 6.5 | 5 oz. - 3

Inspired by a trip to Czechia, where we made quick friends with some brewers in Prague while enjoying (many) traditional Czech beers. The unique characteristics in this one are subtle, but the riches are there if you go looking for them. *Collaboration with Pivovarský dům.*

#6 PORTREE - NITRO
Scottish 70 Shilling Ale | 4.1% | 16 oz. – 7.5 | 5 oz. - 3

Imagine sitting in a snug with friends in a Scottish pub drinking a traditional "heavy". This is our take on that classic pub ale. Low in alcohol, with a strong malt backbone. This easy drinker has notes of dark chocolate, caramel and toasted bread.

#7 MORAVIA
12° Czech Dark Lager | 4.8% | 16 oz. - 6.5 | 5 oz. - 3

Smooth and rich, this malty lager has a balanced touch of chocolate and roast notes, rounded out by a hint of sweetness. We lagered it on two levels of toasted white oak, lending an earthy note that brings all of these flavors together.

#8 NO YEAH
West Coast Pale Ale | 5.2% | 12 oz. – 7.5 | 5 oz. – 4

The dank aromatics bursting forth from this easy drinking Pale Ale are an homage to our good friends at DankHouse Brewing. We used a pile of Simcoe and Nelson Sauvin hops, in many different forms and many different additions to achieve this crusher of a hoppy beer. *Collaboration with DankHouse Brewing.*

#9 GOING THE DISTANCE
NZ Hazy IPA | 6.3% | 12 oz. – 7.5 | 5 oz. – 4

We imported a pile of hops for this beer from our friends at Garston Hops in New Zealand. They grow some of the best NZ hops we have ever used. This one has strong notes of lemon, lime, papaya, and grapefruit. Finishes soft and easy. Dry hopped with Riwaka and Motueka.

#10 POST FEST
Dry Hopped Lager | 5.7% | 12 oz. – 5 | 5 oz. – 3

Having spent many hours over many years at our friend's cocktail bar in Denver, the good folks at Finn's Manor came out to Columbus to make this crushable, delicately hopped lager with us. Notes of candied orange, dark berries and cereal malt. We hope you enjoy it as much as we do. Dry hopped with Ramosa, Mosaic and BRU-1. *Collaboration with Finn's Manor.*

#11 BETTER TOGETHER
Peanut Butter & Chocolate Porter | 6.5%
16 oz. - 7.5 | 5 oz. - 4

A classic combination that truly needs no introduction. We brought these best buds together for this tasty porter where the roasted malts take a backseat to the stars of the show.

#12 VERY CHERRY
Cherry Pie Sour | 6.2% | 12 oz. - 7.5 | 5 oz. - 4

Loaded with Montmorency tart cherry juice, this is a swing at a liquid version of the traditional cherry pie. Pleasantly tart, with notes of toasted crust and vanilla on the back end.

#13 GOOD THINGS
PB&J Sour | 5.7% | 12 oz. – 7.5 | 5 oz. – 4

Get ready for the nostalgia of brown paper sacks, plastic baggies and well, we aren't judging if you had PB&J for lunch yesterday because this undeniable combo is classic for a reason. Real strawberry puree, strawberry juice and roasted peanuts in a beautiful swirl with just a touch of tart in the finish. Good things, indeed.

#14 WAYBACK
German Pilsner | 5.4% | 16 oz. – 6.5 | 5 oz. - 3

We went way, way back with this one. Based on a recipe we made in another life at another brewery where we worked with the brewers who eventually started Gemüt. A classic German Pils with everything you want and nothing you don't. Assertive yet delicate. *Collaboration with Gemüt Biergarten.*
